Dear Mr. _____ :

This is in response to your August 3, 2001, request addressed to the Bureau of Alcohol, Tobacco and Firearms (ATF) in Falling Waters, West Virginia. Our office received your request on August 22, 2001. We apologize for the delay in responding to you.

Please be advised that our database reveals that the manufacturer Dornaus and Dixon Enterprise, Inc., has indeed gone out of business. However, Dornaus and Dixon Enterprises, Inc. did not turn over their records to the Bureau. Instead, their records were turned over to a successor company (it was acceptable to have them turned over to a successor company rather than to ATF). Please be advised that our database reveals that the company Peregrine, Industries Inc. located in Ketchum, California maintains these records. We suggest you contact Peregrine who might have the specific information you are seeking.

This concludes our response to your August 3, 2001, request. If you have any questions please write again.

Sincerely,

Johnny Rosner
